Local High Deductible Health Plan
Insurance for Employees
and Retirees

KNOW YOUR BENEFIT ENROLLMENT POINTS

There are certain times throughout the year when you may enroll for health and supplemental insurance benefits, or change your coverage. Visit It's Your Choice 2016 at etf.wi.gov to learn more about the choices available to you.

OPEN ENROLLMENT: OCTOBER 5-30

The It's Your Choice 2016 open enrollment period is **October 5-30, 2015**. This is your opportunity to change health plans, change from family to single coverage, cancel coverage for yourself or an adult dependent child and more. Employees who previously deferred coverage may enroll.

Open enrollment is available to all who are eligible under the Wisconsin Public Employers Group Health Insurance Program. This includes employees, retirees, currently insured COBRA continuants, surviving spouses and dependents. Changes in coverage become effective January 1, 2016.

NEW EMPLOYEES

If you are electing health insurance coverage, you must enroll within 30 days of your date of hire (in an eligible position), or first eligible appointment. Applications can be made through myETF Benefits at etf.wi.gov or by paper. Coverage will be effective on the first of the month on or following your hire date, or on the date you are eligible for an employer contribution, whichever you choose. Check with your benefits office to find out when your employer contribution begins. If you choose to start your coverage before you receive employer contributions, you will pay the full premium.

LIFE CHANGE EVENT

Did you recently get married, enter into a domestic partnership, have a baby, have an eligible move to a new county or another life change event? You may have the opportunity to enroll or change your coverage outside of the open enrollment period. There are various rules related to life change events. Please visit It's Your Choice 2016 at etf.wi.gov to see what your options are and how long you have to submit an application to enroll or make a change.

NEW RETIREES

When you retire, your health insurance plan (if you are enrolled) will automatically continue in most circumstances. If you terminate employment after 20 years of creditable service but are not eligible for an immediate annuity, you may continue your coverage by filing a *Continuation-Conversion Notice* (ET-2311) form within 90 days of your termination of employment. This form is available from ETF.

NEW TO MEDICARE

If you are eligible for Medicare, you and your Medicare eligible dependents must be enrolled in the hospital (Part A) and medical (Part B) portions of Medicare at the time of your retirement, as soon as you turn age 65 or have another Medicare enrollment opportunity. You will then automatically be enrolled in the prescription drug (Part D) plan which is offered by Navitus Health Solutions and underwritten by Dean Health Insurance Inc. Because all It's Your Choice plans have coverage options that are coordinated with Medicare, you will remain covered by your health plan even after you enroll in Medicare. Please contact ETF if you do not receive the required *Medicare Eligibility Statement* (ET-4307) at least one month before your 65th birthday, or if you have been on Social Security disability for 24 months.

WHAT IS CHANGING IN 2016

Whether you are satisfied with your current health plan, looking to make changes to current coverage, are a new employee, retiree or are new to Medicare, you should know what is changing for 2016. Take a few minutes to read this section and see if there are changes that affect you. Visit etf.wi.gov to confirm your health plan service area and provider network is available for 2016.

FOR EMPLOYEES AND RETIREES

MEDICAL & PRESCRIPTION DRUG COSTS

- You will pay a copayment for office visits.
- You will pay coinsurance instead of a copayment for certain prescription drugs. See Page 9.
- Out-of-pocket limits are increasing.

See Pages 7-8 for more medical benefits at a glance. Visit It's Your Choice 2016 at etf.wi.gov for specific cost changes.

DENTAL (IF YOUR EMPLOYER OFFERS THE UNIFORM DENTAL BENEFIT)

The Uniform Dental Benefit will be offered by Delta Dental instead of through health plans. You can find more information on Page 10. If your employer offers the Uniform Dental Benefit you will be automatically enrolled in dental coverage regardless of what health plan you are enrolled in for 2016 (including *It's Your Choice Medicare Plus*). You may opt out by filing an application/change form.

MEDICAL BENEFITS

Habilitation services are now covered. These services help you learn or improve skills and functioning for daily living.

Advance care planning and/or a palliative care consultation should be offered to participants facing a serious illness and survival of less than 12 months so they are informed of care options. Advance care planning is now a covered benefit for any participant who is diagnosed with a terminal illness.

Note: *It's Your Choice Medicare Plus* pays only for services that Medicare covers. Medicare covers some habilitation services and is potentially adding coverage for advance care planning. Please contact WPS at 1-800-634-6448 if you have specific questions about these benefits.

PLAN DESIGN NAMES CHANGING

All *Arise* participants should confirm their provider network for 2016.

WELLNESS INCENTIVE

20 + 20 = \$150

We could come up with a million reasons why health, fitness and overall well-being are so important, but instead, we'll start with \$150. After spending about 20 minutes attending a wellness assessment and 20 minutes completing a health survey, you will be eligible for a \$150 health incentive from your health plan.

Visit wellwisconsin.wi.gov for more information.

All health and wellness incentives paid to ETF members by the health plan are considered taxable income to the subscriber and are reported to your employer or ETF. Health information, including responses to the health survey, are protected by federal law and will never be shared with your employer. Note: Participants enrolled in Humana Medicare Advantage are not eligible to receive the \$150 incentive.

HOW MUCH ARE MY PRESCRIPTION DRUGS?

The 2016 Pharmacy Benefits Plan Comparison table below shows what amount or percentage you would pay for prescription drugs under each plan. For example, with the It's Your Choice Local High Deductible Health Plan the combined prescription drug and medical out-of-pocket limit (OOPL), or maximum, you would pay for Levels 1 through 4 drugs is \$2,500 for individual coverage and \$5,000 for family coverage. All covered prescription drugs (Rx) fall into one of four cost-sharing levels, including Level 1 for most generic drugs and Levels 2, 3 and 4 for most brand-name drugs. Navitus is the plan administrator.

¹ "Zero Dollar" preventive drugs identified by the Affordable Care Act (ACA) are paid for by the plan even if the deductible has not been met. "First Dollar" preventive drugs identified by the ACA are subject to copayment/coinsurance cost sharing, even if the deductible has not been met. After the deductible is met, the member is still responsible for the copayment/coinsurance until the OOPL is met.

² Level 3 coinsurance does not apply toward the group health insurance program's OOPL under a non-HDHP, only the federal maximum out-of-pocket (MOOP).

³ Reduced copayment of \$50 applies only when **Preferred Specialty Drugs** are obtained from a **Preferred Specialty Pharmacy**. All other Level 4 drugs require coinsurance of 40% (\$200 max).

⁴ Level 4 coinsurance for Non-preferred Specialty Drugs does not apply to the group health insurance program's Level 4 OOPL, only the federal MOOP.

⁵ Family OOPLs for non-HDHP plans are embedded. An individual within a family can reach an individual OOPL before the family OOPL is met and not have to pay any copayment/coinsurance. Family OOPLs for HDHP plans are not embedded and an individual will continue to pay until the family OOPL is met.

⁶ Federal Maximum out-of-pocket Limit or MOOP.

OPTIONS TO SUPPLEMENT YOUR COVERAGE

More choices mean more opportunities for better health and wellness. Below are the optional plan benefits you may be able to choose from. Not every employer offers every optional plan. Ask your benefits office about available options. Visit It's Your Choice 2016 at etf.wi.gov for more information.

2016 MEDICAL BENEFITS AT A GLANCE

With Medicare

Use this chart to compare the Medicare medical benefit options available to you. This not intended to be a complete description of coverage. The certificate of coverage found at It's Your Choice 2016 at etf.wi.gov includes a detailed benefit description. **Medicare deductible and coinsurance amounts listed are from 2015. After Medicare releases the 2016 amounts in the late fall, ETF will update this chart online.** Medicare pays for allowable services per benefit period and then the health plan pays as described in addition to Medicare. Only medically necessary services and equipment are paid by your health plan. Custodial care is excluded.
