IT’S YOUR CHOICE
2018
Decision Guide
State of Wisconsin
Group Health Insurance for Employees

ACTION REQUIRED
Your health plan may not be available in 2018. You may need to choose a new health plan.
KNOW YOUR BENEFIT ENROLLMENT OPPORTUNITIES

There are certain times throughout the year when you may enroll in health and supplemental insurance benefits, or change your coverage. Visit It’s Your Choice 2018 at etf.wi.gov/IYC2018 to learn more about choices available to you, view an eLearning and see instructions on how to enroll. You can also request a paper application from your payroll or benefits office.

OPEN ENROLLMENT: OCTOBER 2 - 27, 2017

This is your opportunity to change health plans, change from family to individual coverage, enroll if you had previously deferred coverage, cancel coverage for yourself or an adult dependent child and more.

Open enrollment is available to employees, retirees, currently insured COBRA continuants, surviving spouses and dependents. Changes become effective January 1, 2018.

Generally, if you are not changing coverage, you don’t need to do anything. Be aware available health plans are changing for 2018; review important changes. You must re-enroll in employee reimbursement accounts each year.

NEW EMPLOYEES

If you are electing health insurance coverage, you must enroll within 30 days of your date of hire (in an eligible position), or first eligible appointment. Coverage will be effective on the first of the month on or following your hire date, or on the date you are eligible for an employer contribution, whichever you choose. Check with your payroll or benefits office to find out when your employer contribution begins. If you choose to start your coverage before you receive employer contributions, you will pay the full premium.

UW graduate assistants and Wisconsin Retirement System employees: If this is not your first eligible appointment, you may still be eligible for the initial 30-day enrollment period if you have a 30-day employment break between appointments.

LIFE CHANGE EVENT

Did you recently have a change in marital status, add a dependent, have an eligible move to a new county or have another life change event? You may be able to enroll or change your coverage outside of the open enrollment period. There are various rules related to life change events. Check out the Life Change Event Guide on the Resources tab at etf.wi.gov/IYC2018 to see what your options are and how long you have to submit an application to enroll or make a change.

OPT-OUT INCENTIVE: ANNUAL ACTION NEEDED

If you are declining health insurance and electing to receive the $2,000 opt-out incentive payment in 2018, you must complete a paper Health Insurance Application/Change (ET-2301) form and submit to your payroll or benefits office during open enrollment, or check with your employer to see if you can opt out electronically. You may be required to provide proof of other minimum health care coverage for yourself and your dependents.

Note: This is an annual requirement. Visit etf.wi.gov/IYC2018 for eligibility information.
HEALTH PLAN CHANGES

Changes can happen each year. Use the new interactive map at etf.wi.gov/IYC2018 to find health plans and covered providers where you receive care.

NOTE: If you take no action during open enrollment, your enrollment will continue with the new administrator, except for SMP and SMP HDHP.

MEDICAL BENEFITS (ACTION REQUIRED)
All participants must select a primary care provider. If you don’t have one, contact your health plan for help.

No Domestic Partner Coverage
Due to a state budget proposal, it’s likely that domestic partners will not be covered in 2018. For updates on this legislation and other important information, visit etf.wi.gov to sign up for ETF E-mail Updates.
