

Separation Benefit Application

Wis. Stat. § 40.25 (2), (3m)

Wisconsin Department of Employee Trust Funds PO Box 7931 Madison WI 53707-7931

1-877-533-5020 (toll free) Fax 608-267-4549 etf.wi.gov

You are the **participant** if you are applying for your account earned while working for the Wisconsin Retirement System. You are eligible for a separation benefit if you no longer work for a WRS-participating employer. You also cannot work for any WRS-participating employer until your benefit is paid and you are:

- Under age 55 (50 for members with protective category service), or
- Age 55 or older (age 50 for members with protective category service) and you are not vested

You are the **alternate payee** if you are the former spouse of a participant and have received a portion of the participant's account under a Qualified Domestic Relations Order. To be eligible to apply, ETF must receive your application before the participant (your former spouse) reaches age 55 (50 if a protective category employee). You may apply later if your former spouse is not vested.

• Note: If you are also employed as an active WRS-covered participant, you do not need to terminate covered employment to apply for the alternate payee benefit. Your own WRS employment status has no effect on your benefit rights as an alternate payee.

For more information, including the 75-day break in service requirement and how it applies to you, see the *Separation Benefits* (ET-3101) brochure on ETF's website or contact ETF.

A separation benefit will impact your taxes; see the ETF website or consult your tax advisor for more information.
