☐ Deductible HMO-Standard PPO, P04
☐ Coinsurance HMO-Standard PPO, P06
☐ High Deductible Health Plan HMO-Standard HDHP PPO, P07

Be it further resolved that the ____________________________

(Governing Body)

requests to retain a second group health plan, separate from the Wisconsin Public Employers’ group, under the provisions outlined as follows:

1. Overall Participation. If a portion of the non-participating employees are covered by some other plan, it must be demonstrated to the satisfaction of the Board that excluding such sub-group will not result in adverse selection. Regardless, the minimum participation level must be met, which is based on the number of all eligible employees of this employer that participate in this local group health insurance program.

2. Standard PPO vs. HMOs. If less than 50% of the participating employees elect the Standard PPO coverage, after the first year in this program the Plan Stabilization Contribution (PSC) may be increased by up to $2 for each year that the average age of the employer group exceeds the average age of all other Standard PPO participants in the Wisconsin Public Employers’ Group Health Insurance Program. The maximum increase in the PSC would be $10.

3. Contract. Such a new employer must agree to participate in this local group health insurance program for a minimum period of three years.

The underwriting and enrollment process takes 120 days. Groups are eligible to enroll effective January 1, April 1, July 1, or October 1. RESOLUTION EFFECTIVE DATE: (select one date)____________________.

The proper officers are herewith authorized and directed to take all actions and make salary deductions for premiums and submit payments required by the State of Wisconsin Group Insurance Board to provide such Group Health Insurance.
